

# DEZENT TD GRAPHITE

**A brand-new design classic is ready for winter**  
**The alloy wheel DEZENT TD new in graphite matt**

Retro, anti-retro, progressive or futuristic? If you are not sure and want to find the right style, you will rather go for a classic design. But what about innovation? With its new alloy wheel TD, DEZENT graphite matt shows how to add new effects to timeless design elements and thus form a new, unique design. This straight wheel with the surprising bend will still be fashionable in years to come.
