

## DEZENT TH DARK

**For the “biggies”**

**DEZENT and its TH dark - a sporty wheel for vans and SUVs**

The TH dark is a real eye-catcher. Its elegant black lends the design both stylishness and sportiness. The edging of the five massive spokes and the flange are polished and ensure clear lines, bright accents and emphasize the presence of vehicles like the VW T5, Mercedes V-class, VW Touareg or Amarok.
