

DEZENT RN DARK

Modern, sporty, DEZENT RN dark Racetrack feeling for compact cars

The five fine-polished spokes, with their thinly polished top edges and rim flange, "flow" harmoniously into the rim well and highlights its sporty character. The striking bolt holes also lend the centre of the DEZENT RN dark a lighter, even "racing" appearance.

The clear and modern design represents the qualities of the RN dark and underlines its attractiveness. It thus perfectly rounds off the young and modern look of an Audi A4 Avant, VW Passat or Mercedes C-Class model. This extra dynamism and style, without being obtrusive, has been a success in the past, already. That's why in future DEZENT will also focus upon a discreet and fresh
