

DEZENT RN

The DEZENT RN represents classic elegance

A five-spoke wheel for compact cars

Their elegant shape – in conjunction with the high-gloss paint – simply lends the five silvery glittering spokes an understated elegance. A plain design, coupled with slightly bent spokes creates the wheel's visual "lightness". The classic elegance of the DEZENT RN makes a VW Passat, Audi A4 Avant or Mercedes C-Class model appear even more dynamic.

The DEZENT RN is a classically timeless wheel, featuring perfectly designed details. The designers drew upon the silhouettes of the latest compact cars like Hyundai i30, Audi A3, Seat Leon and Kia C`eed. Featuring a high-gloss paint, the RN is plainly noble. The designers opted for a five-hole connection, which
